

## PROPERTY VISITATION GUIDELINES

**Visitation Hours:** Dawn to Dusk

The Central Indiana Land Trust owns and manages several nature preserves in Central Indiana. The primary purpose of these properties is to protect natural plant and animal communities. Most of Central Indiana Land Trust's preserves are open to visitors, but for travel by foot only (see permitted and prohibited activities list below).

### Permitted Activities:

- Birdwatching
- Hiking
- Nature Study
- Environmental Research (with permission)
- Photography
- Central Indiana Land Trust-organized stewardship activities
- Pets are allowed, but must be on a leash at all times

### Prohibited Activities:

- Driving any type of vehicle, including ATVs and snowmobiles
- Biking or mountain biking
- Horseback riding
- Hunting, fishing, trapping or target shooting
- Removing or destroying any natural objects, including rocks, flowers, berries, nuts, mushrooms, shells, trees or artifacts
- Littering or dumping
- Camping, cooking or campfires
- Geocaching
- Rock climbing
- Swimming or ice skating

Most of our properties do not have trails. At those properties that do have trails, we ask that you stay on the trails in order to preserve the fragile habitat that we are working to protect. Groups of 10 or more, please contact our office prior to your visit.

Please carry out all trash. If you notice something at one of our preserves that needs attention, please contact the Central Indiana Land Trust office at 317-631-5263. Our properties are monitored by volunteers. Volunteers also participate in stewardship activities at scheduled workdays throughout the year. For more information on volunteering, visit our website at [www.conservingindiana.org](http://www.conservingindiana.org).

## RESPECT OUR NEIGHBORS' PROPERTY

Please do not trespass on private property adjacent to Central Indiana Land Trust preserves.
